

# Fugazi, Bad Mouth

You can't be what you were  
So you better start being just what you are  
You can't be what you were  
Time is now and it's running out  
You can't be what you were  
So you better start living the life  
That you're talking about  
You can't be what you were  
No movement, no movement, no movement  
In a bad mouth  
It betrays a bad mind
