These bitches switchin', tryna get my dick a hickey

I can't be scared of none you niggas, ya'll some snitches
I got some girls that claim they straight but now they kissin'
These bitches switchin', tryna get my dick a hickey
And I say fuck all the rules, I'd rather fuck your baby momma
And I say bring all your tools cause I'm ready for that drama
And I know I'm a young gunner ain't worried about karma
And I'm just livin' my life and I'mma get me some money

I'm young Freddie Kruger, I promote prostitution

The fresh new gear made a bitch disappear
A fresh pack of mollies make the bitch go to work
The lean in the kush make the pussy squirt
