

# Future, Salute

Escomoe, the coolest DJ in the world  
Ey, ey  
For real, for real

This for my young niggas grindin', went stashed 'em a Rollie

I call the play like I'm John Madden  
I fuck that bitch in the Steve Maddens  
Pitchin' the ROC like I'm Ty-Ty  
Mixin' the soda like hair dye  
Twist up some dirty, my nigga, let's twist up some dirty  
This for my young niggas grindin', went stashed 'em a Rollie

I see your loyalty payin' off  
I see your grind been payin' off  
I see the dope, been payin' off  
I see the plug, been payin' off  
I went to work, they was layin' on it  
Lil' shawty be popping them Xans out  
Lil' mama she do it the best now  
Sucking that dick with no hands now

I got way too much juice, niggas can't hold me  
I got way too much juice, niggas can't hold me  
Bitches can't hold me  
I'm juiced up with shorty  
I'm whipping the 'Rari  
Or the new Maserati

Bust a jug in the West End at the parking lot  
Used to sell my crack at Days Inn, had it crazy hot  
Styrofoam cups, all I know is I get crazy, man  
My partners on dust, they gon shoot up a whole stadium

I don't trust your baby mama but we made a crazy film  
And I smashed her last night on a lot of pills  
And we turned her apartment to a trap house deal  
And I turned her apartment to my dope house deal

I call the play like I'm John Madden  
I fuck that bitch in the Steve Maddens  
Pitchin' the ROC like I'm Ty-Ty  
Mixin' the soda like hair dye  
Twist up some dirty, my nigga, let's twist up some dirty  
This for my young niggas grindin', went stashed them a Rollie

When I jumped out the porch, I was selling that crack like that shit was a sport  
I was running through bushes, jumping over fences, I gotta get away from them narcs  
Hey, man I can never get away from this art  
They treat you like Lord, they treat you like God when you beat the odds  
None of my dreams was reality just a few years ago, homie was starving  
Yes a few years ago, homie was starving

Bust a jug in the West End at the parking lot
