

# Future, We On Top

Niggas ain't aiming at your chest, shooters aim straight for the top  
I don't even wanna fuck these hoes no more man all I want is the top  
Even in the winter time we cop these drops and drops in the top  
Came from the projects and got on the grind shot straight to the top  
We on top, we on top, we on top  
We on top, we on top  
They sleepin' on the seventh floor, thinking no no  
They got 28 floors, we on the 28th floor  
We on top

Lil Mexico the army, Freeband the marine  
Some million dollars in the building when I'm on the scene  
Flacko what it is, you know it's all love  
Back to back Lambo, me and big cause  
Scooter got the 'Rari making juugs and catching plays  
Two cup, filled up, drankin' on Aid  
Throwin' money off stage, standing on stage  
Won't shop at Fifth Plaza, go shop in LA  
International liking all my freaks exotic  
1 or 2 commas on the tags that I'm popping  
Gucci, Fendi, Dolce, YSL, picka closet  
You can die paid, we got one, two options

Niggas ain't aiming at your chest, shooters aim straight for the top  
I don't even wanna fuck these hoes no more man all I want is the top  
Even in the winter time we cop these drops and drops in the top  
Came from the projects and got on the grind shot straight to the top  
We on top, we on top, we on top  
We on top, we on top  
They sleepin' on the seventh floor, thinking no no  
They got 28 floors, we on the 28th floor  
We on top

28th floor I got 28 sold  
Whole thangs only, ain't no 28th though  
Brick on top of brick they go for 28 for  
Bales on retail, 400 I let 'em go  
All these freebands I ain't gotta change no more  
Camaro outta oldschool, I bought off selling dope  
Bentley coup and [?] finessed out Mexico  
Bitch I'm Young Scooter, do what the fuck I want  
All this damn money, nigga everything for show  
To count a quarter ticket, G told me it's a go  
Hustle, juug, and stack it is the only thing I know  
Juug house bunkin, Black Amigo Gang, gone

Niggas ain't aiming at your chest, shooters aim straight for the top  
I don't even wanna fuck these hoes no more man all I want is the top  
Even in the winter time we cop these drops and drops in the top  
Came from the projects and got on the grind shot straight to the top  
We on top, we on top, we on top  
We on top, we on top  
They sleepin' on the seventh floor, thinking no no  
They got 28 floors, we on the 28th floor  
We on top

My shades on  
My ice glow  
On VVS, drippin I got mojo  
Fuck them old hoes, I got new hoes  
Bitch on Insta turnt up in the presidential house  
I get top, I get guap, I love to get both  
Drop head, what a time, Future gotta do the most  
Astronaut smash off I gotta get ghost

Thousand dollars on my feet, the only thing [?]  
President Amigo, hasta luego, send your pesos  
We on the jet eatin' breakfast  
On some fly nigga feel like I got feathers

Niggas ain't aiming at your chest, shooters aim straight for the top  
I don't even wanna fuck these hoes no more man all I want is the top  
Even in the winter time we cop these drops and drops in the top  
Came from the projects and got on the grind shot straight to the top  
We on top, we on top, we on top  
We on top, we on top
