YOU're now mobbin'
Are now mobbin
With Young Gerald
You gonna love it

I want to be a little more for you
YTO all the things she was supposed to do
You know you deserve someone who's
A little more, a little more
I want to be a little more for you
And i know just waht to do
Don't you need smoethin' new
Ohh, ohh

[G-Eazy - 1]

You know you deserve someone who's
A little more, a little more
I want to be a little more for you
And i know just waht to do

just a a little more
