every other week I'ma make a M  
I told her, if you make it hard turn it to a ten  
I am the type to drop the top while she gives me top  
still the white boy in the club that can't Millr Rock  
still the same and I made a milli of a pop

I Wanna Rock  
I, I, I Wanna Rock  
I Wanna Rock  
I, I, I Wanna Rock  
wanna finna let the raw bass drop

if you feel better  
you can hate me then  
if you feel better  
you can hate me then  
if you feel better  
you can hate me then  
if you feel better  
you can hate me then
