G-Eazy & Kehlani, Legend

[Intro] Yeah I'm back drinking whiskey OZ on the beat, yeah

[Chorus] (Aight, aight)

Needed a reason to go off I think I found one (I think I found one!) Don't know what legend is until you been around one (been around one!) We poppin' champagne on a jet, think I been wildin' (you're wild!) Bottle after bottle, I just drank a gallon (yee! yee!) Since I was young they say that boy he got some talent (he's good!) I put some gold up on my teeth and my medallion (bling!) My favorite time of day, the name my second album (yeah) The sun go down it's like a monster just came out him

[Verse 1]

Yeah

I just wanna chill and tuck off with a bad one Man, y'all be stressing me, ah, fuck I need a Valium I remember when I first made thirty thousand And now I spent that on some dinner, eat Italian (yeah, linguine!) We really did it, bruh, we came up from the bottom (yeah) It's what it is, I swear I see it how I call it (yeah) I swear you're lookin' like a L, you're not far from it (yeah) And I just go into the booth and then I vomit (yeah) The neighbors knocking, all complaining bout the volume (yeah) I bought the house, bitch I don't understand the problem (yeah) They bite the swag off, stealing juice, I swear they robbin' (yeah) I swear my lifestyle '97 Dennis Rodman

[Chorus]

(I-I)

Needed a reason to go off I think I found one (I think I found one!) Don't know what legend is until you been around one (been around one!) We poppin' champagne on a jet, think I been wildin' (you're wild!) Bottle after bottle, I just drank a gallon (yee! yee!) Since I was young they say that boy he got some talent (he does!) I put some gold up on my teeth and my medallion (bling!) My favorite time of day, the name my second album (yeah) The sun go down it's like a monster just came out him Yeah

[Verse 2]

I just want to pull off in that Testarossa (Vroom!) I just sent a text and then that bitch came over (hi!) Man, I be faded, faded, rarely am I sober (I'm gone!) And you ain't got it, you a muthafuckin' poser (bitch!) She wanna fuck, eeh, I'm not mad at it It's all right there, man, you just gotta go and grab it (yah!) I text I want her, then I fly her like Aladdin (woo!) But if she ain't the baddest, then I put her in main cabin (sorry) They follow me at the party, I walk around it (yeah) Like, " Is it me, or did this room just get crowded? " (fuck off) And they's some sixes up in here, like who allowed in? (who?) She thinks she's got a chance, I really fuckin' doubt it

[Chorus]

(I-I)

Needed a reason to go off I think I found one (I think I found one!) Don't know what legend is until you been around one (been around one!) We poppin' champagne on a jet, think I been wildin' (you're wild!) Bottle after bottle, I just drank a gallon (yee! yee!) Since I was young they say that boy he got some talent (he's good!)

I put some gold up on my teeth and my medallion (bling!) My favorite time of day, the name my second album (yeah) The sun go down it's like a monster just came out him Yeah

[Outro] Dr. Jekyll and Mr. Hyde, yeah Yeah Woo! Yee! Ha ha ha
