

# G. LOVE & SPECIAL SAUCE, Everybody

Everybody needs a true true friend  
To help them through the day  
Everybody needs a true true friend  
To help them through the day  
If you need me  
I'll be there  
If you need me  
You'll know where  
Everybody needs a seed of sun  
Even if it takes the whole night long  
Everybody needs a seed of sun  
Even if it takes the whole night long  
If you need me  
I'll be there  
If you need me  
I'll be there  
Well I'll be there  
To help you along  
If they lay me down tonight  
I tried to lead a gracious life  
If they lay me down tonight  
Don't you know I tried to live alright  
If you need me  
Then I'll be there  
If you need me  
You'll know where  
I'll be there baby  
You're my friend  
I'll be there  
Oh but I love you  
Oh my friend  
Oh my friend
