

# G. LOVE & SPECIAL SAUCE, Gimme Some Lov

Gimme some lovin' early in the morning  
I just woke up with this appetite  
Come on, gimme love in the morning light  
Gimme some lovin' early in the morning  
I just woke up with this appetite  
Come on, gimme love in the morning light  
Some people like it in the afternoon  
I don't think that I can wait that soon  
Come on, gimme love in the morning light  
Some people likin' it late at night  
I could wait that long but I don't think I might  
Come on, gimme love in the morning light  
I'm gonna love you soft and love you sweet  
I could feel your heart beat  
I need your attention to get me started right  
I'm gonna wake you up with a kiss on the cheek  
Come a little closer open up to me  
Good morning babe Good mornin babe  
Open your eyes just a little bit  
Good morning sunshine I can't resist  
Dreaming about you babe all through the night
