

# Gabriella Cilmi, Symmetry

Tell me something that I don't know  
Is the truth you try to hide  
Can let in your home  
Do you hold on tightly  
Or just let it go?  
What you say on \_\_\_ breath  
The pay for what you are

My conscience is broken  
This black hole is open  
Is pullem me pass upon the time  
?

All I need to know:  
Is your heart bleed like mine?  
Is it open ?  
Yes, something burning deep down inside  
?  
Symmetry between me and you
