

Gabrielle, Have You Ever Wondered

As I look back in time
It's clear for me to see
That I was meant for you
And you were meant for me
Since the day we met
Had only eyes to see one another
No one else could compete
Looking back I remember
All the fun and games
And what we've got right now
Really hasn't changed
Cos we always believed
Believed in what we had
So we did, did our best to make it last
Cos I have a love for you unbreakable
I have a love for you so strong
I have a love that's oh so deep
Cos I've loved you all along
Cos I have a love for you unbreakable
I have a love for you so strong
I have a love that's oh so deep
Cos I've loved you all along
Well have you ever wondered how we ever came to be
Have you ever wondered why there's still a you and me
Have you ever wondered why I haven't turned and walked away
And why I stayed
So have you ever wondered how we ever came to be
Have you ever wondered why there's still a you and me
Have you ever wondered why I haven't turned and walked away
And why I stayed
Many times I've wondered
How we've kept our love alive
Cos we've come through some things
That others don't survive
But we've always believed
Believed in what we had
So we did, did our best to make it last
Cos I have a love for you unbreakable
I have a love for you so strong
I have a love that's oh so deep
Cos I've loved you all along
Cos I have a love for you unbreakable
I have a love for you so strong
I have a love that's oh so deep
Cos I've loved you all along
So have you ever wondered how we came to be
Have you ever wondered why there's still a you and me
Have you ever wondered why I haven't turned and walked away
And why I stayed
So have you ever wondered how we ever came to be
Have you ever wondered why there's still a you and me
Have you ever wondered why I haven't turned and walked away
And why I stayed
So have you ever wondered how we ever came to be
Have you ever wondered why there's still a you and me
Have you ever wondered why I haven't just turned and walked away
And why I stayed
So have you ever wondered how we ever came to be
Have you ever wondered why there's still a you and me
Have you ever wondered why I haven't turned and walked away
And why I stayed
