## Gabrielle, Rise By Gabrielle

I know that it's over But I can't believe we're through They say that time is a healer And i'm better without you It's gonna take time i know But I'll get over you

## **CHORUS:**

Look at my life
Look at my heart
I have seen them fall apart
Now i'm ready to rise again
Look at my hopes
Look at my dreams
I'm building bridges from these scenes
Now I'm ready to rise again

Caught up in my thinking Yeah Like a prisoner in my mind You pose so many questions But the truth was hard to find I better think twice i know That i'll get over you

## **CHORUS:**

Look at my life
Look at my heart
I have seen them fall apart
Now i'm ready to rise again
Look at my hopes
Look at my dreams
I'm building bridges from these scenes
Now i'm ready to rise again

Much time has passed between us Do you still think of me at all My world of broken promises Now you won't catch me when i fall

## CHORUS:

Look at my life
Look at my heart
I have seen them fall apart
Now i'm ready to rise again
Look at my hopes
Look at my dreams
I'm building bridges from these scenes
Now i'm ready to rise again
