## Galaxie 500, Day

I was your light To the ... Why do you cry today Just because the sky is grey? Cause it's okay if everyday Is not the same way It's just another way That everyday is not the same How can you see the sky When you close your eyes? How can you run away Just because the sky is grey? Cause it's okay if everyday Is not the same way It's just another way That everyday is not the same Cause it's okay if everyday Is not the same way It's just another way That everyday is not the same
