

# Gamma Ray, Pale Rider

I ride on down down the heavy road  
I'm sick and tired and my head explodes

I listen to the wind and my whip shall crack  
I'm riding down the road like a razorback  
I'm on this lonely trail forever

Burn motherfucker time to feel the flame  
Listen to the whiplash crack your brain  
I am the rider in the darkness  
Coming for you pale rider pale rider

I spend my life with collecting souls  
I get my dime in the sick man hall

I circle 'round the world like a satellite  
Killing prone demons bound to fight I'll ride forever

Burn motherfucker time to feel the flame  
Listen to the whiplash crack your brain  
I am the rider in the darkness  
Cursed for eternity fulfill my destiny  
To be a rider in the darkness pale rider

Lost in a deal with a demon to feel  
That a deal with a demon is never for real  
There's always a catch there's always a snatch  
And your soul you will sell  
To the devil himself aah whoa

Burn motherfucker feel the flame  
Listen to the whiplash crack your brain  
Here comes the rider in the darkness  
Cursed for eternity fulfill my destiny  
Here comes the rider in the darkness  
I'm comin' for you pale rider  
I'm comin' for you pale rider  
I'm comin' for you comin' for you  
I'm comin' for you I'm comin' for you
