

# Garbage, Big Bright World

We are difficult to understand  
It was hard to make the simple plan work  
Difficult, that's what made it burn

You're a satellite  
Around my heart  
One million miles before the start  
Indescribable, that's what makes it you

Shivers up and down my spine  
Feet to the deep  
Inside this big, bright world /3x

You rage against the dying  
Rage against the dying light

You're mysterious, you make no sense  
I love you 'cause you're innocent  
You fell out through a hole inside the sun  
So magnify the best inside me  
Fill the parts that you can't find me  
The parts that won't give out when things get hard

Shivers up and down my spine  
Feet to the deep  
Inside this big, bright world /3x

Round and round in the setting sun /3x  
Round and round round and round and round

Inside this big, bright world /3x

Rage against the dying  
Rage against the dying light

I'm with you  
/8x
