

# Garbage, Not My Idea

I bit my tongue and stood in line  
With not much to believe in  
I bought into what I was sold  
And ended up with nothing

This is not my idea of a good time  
This is not my idea of a good time  
This is not my idea of a good time  
This is not my idea

You thought that I would never see  
What was meant for you was meant for me  
I was distracted at the time  
Forget about yours, now what about mine?

This is not my idea of a good time  
This is not my idea of a good time  
This is not my idea of a good time  
This is not my idea

You thought I was a little girl  
You thought I was a little mouse  
You thought you'd take me by surprise  
Now I'm here burning down your house

This is not my idea of a good time  
This is not my idea of a good time  
This is not my idea of a good time  
This is not my idea
