

Gary Barlow, Harvest For The World

All babies together
Every one a seed
Half of us are satisfied, half of us in need
Love's bountiful in us
Tarnished by our greed
When will there be a harvest for the world?

When will there be
I wanna know now baby
Half a nation planted
So concerned with gain
As the seasons come and go
Greater grows the pain
Far to many
Are feeling much strain
When will there be a harvest for the world?
So, when will there be
I wanna know now baby

Gather every man
And gather every woman
Celebrate your lives
And give thanks to our children
Gather every one
Gather all together
All together
Overlooking none (2x)
Hoping life gets better
For the world

So dress me up for battle
When all I want is peace
Those of us will pay the price
I come home with the least
And nation after nation
Are turning into beasts
When will there be a harvest for the world?
