

Gary Moore, Crying In The Shadows

Sometimes he sees her walking by
He never looks her in the eye
She doesn't know, she doesn't care
What he is feeling

And as she turns to walk away
There is nothing he can say
She doesn't know
Why should she care?
When he's alone, she's never there
to see him

Crying in the shadows
Of a love he used to know
But now it's all over
Crying in the shadows
Of someone he called his own
But now he's all alone again

Sometimes she sees him walking by
She never looks him in the eye
He doesn't know, he doesn't care
What she is feeling

As he turns to walk away
There is nothing she can say
He doesn't know
Why should he care?
When she's alone, he's never there
He leaves her

Crying in the shadows
Of a love she used to know
But now it's all over
Crying in the shadows
Of someone she called her own
But now she's all alone again

Well, he can see it in her eyes
And she can feel it in her heart
Yes, they can feel it in their hearts
It's tearing them apart
Over and over again

Crying in the shadows
Of a love he used to know
But now it's all over
Crying in the shadows
Of someone she called her own
But now she's all alone

Crying in the shadows
Of a love they used to know
But now it's all over
Crying in the shadows
Of a love they used to know
But now they're all alone again

Crying in the shadows
Crying in the shadows, of love

Crying in the shadows
Crying in the shadows, of love

Crying in the shadows
Crying in the shadows, of love

Crying in the shadows
Crying in the shadows, of love

Crying in the shadows
Crying in the shadows, of love

Crying in the shadows
Crying in the shadows, of love
