Gary Valenciano, Reachin' Out

١.

What must I do to make you understand? You mean everything to me Don't have the strength to say Give this heart of mine a chance And maybe then you will see

REFRAIN 1:

And I'll do anything, do anything that you tell me And I'll be there, I'll be there if you need me

CHORUS 1:

Reachin' out to you
Do you feel it too?
Loving you is all I wanna do
I'm completely sure
I've never felt this way before
When I smile you know that there is something more

Ш

What must I do so I can make you see? The light that shines in my eyes You brighten up my day You even help me find my way I wish you're always by my side

REFRAIN 2:

And I can't stop, don't know how to stop thinkin' of you And I'll do anything, do anything to be near, near you

CHORUS 2:

Reachin' out to you
Do you feel it too?
Loving you is all I wanna do
I'm completely sure
I've never felt this way before
Deep inside you know that there is something more

REPEAT CHORUS 2

Deep inside you know that there is something more
