

GAYLE, ☐abcdefu

Fuck you and your mom and your sister and your job!
And your broke-ass car and that shit you call art
Fuck you and your friends that I'll never see again
Everybody but your dog, you can all fuck off

I swear i meant to mean the best when it eded
Even tried to bite my tongue when you start shit
Now you're texting all my friends asking questions
They never evern like you in the first place
Dated a girl that i hate for the attention
She only made it 2 days, what a connection
It's like you'd do anything for my affection
You're going all about it in the worst ways

I was into you
But i am ver it now
And i was tryna be nice
But nothng getting through
So let me spell it out!

You said you just needed space and so i gave it
When i had nothing to say you couldn't take it
Told everyone i am bitch
So i become it
Always had to put yourself above me

I was into you
But i am ver it now
And i was tryna be nice
But nothng getting through
So let me spell it out!
