

# Gene Clark, Vanessa

Mama get your bags and run  
Papa&#039;s gonna get a gun  
Mama get your bags and fly  
Lord have mercy, me oh my

Get out your cuffs baby, circle the floor  
I can&#039;t live with the devil no more  
Vanessa, get your gun  
I saw Vanessa in the window last night

Looking out on the hill  
Seen her down in the corn field  
Sparks flyin&#039; from her head  
Get out your cuffs baby, circle the floor

I can&#039;t live with the devil no more  
Vanessa, get your gun  
Vanessa, get your gun
