## Genesis, Inside And Out

## **INSIDE**

Brother Seems they're letting him out next year He's behaving himself, I hear Governor Conway says it will be fine Just as long as he can tow the line

It's the same old story
But it says here "Mum you're not to worry"
'Cos some you lose and some you lose

At this party, he was on his own All he did was say he'd take her home But it seems they didn't go straight there 'cos on the porch, she told him, "put your hand here"

Yes it's that same old story They told her mum she's not to worry

Police "If what she says is so, we'll never let him go!"

Him "Never a word could be heard Not even the sound of a bird Singing it over again, telling a different story Never the same as before See the summer going out by the door" Brother And now that you've paid for those lies Get another disguise

"It's twenty years now since our Kid came free Oh I remember August '53
But it wasn't quite like they said
With that behind you, you can't plan ahead
Yes it's the same old story
They say you're free, but don't worry
What they said's not so
They'll never let you go!"

Him "Never a word could be heard Not even the sound of a bird Singing it over again, telling a different story Never the same as before See the summer going out by the door" Brother And now that you've paid for those lies Get another disguise
