

# Gentleman, Blessing To Jah

My eyes behold the blessings of Jah  
I've told the message oh Jah  
To set Jah children free from captivity  
My eyes behold the blessings of Jah  
I've told the message oh Jah  
To set Jah children free

Shiloh:

Why is it so hard for us  
We find it hard to trust  
The system is so unkind  
Always subjecting what is mine

Gentleman:

No colonial mind - no mankind  
Don't want to be led by the blind  
Tell dem fi go seek and find  
We will rise and shine before we run outta time  
We hear bout dem world order and dem bombing  
Wonder who can take it and stand up inna di famine  
What the united nations and world police planning  
Cause ritheous people dem keep banning

Wickedness so narrow righteousness much broader
