Gentleman, Jah Love

call by so many different names but your glory still remains the same

never will i change the way that i feel about jah love it's always been the same there is no breaking up jah love

segregation and all your different classes it nuh tek a lot fi see no need no glasses no tek no instruction from no jackasses cause we see how dem a trick the masses

I will be brave in Jahoviah Burn Babylon and then move ya

manipulating our thoughts tearin us apart there will be no stoppin now we start and we purge out dem heart trick us in dem school play we like a fool use we like a tool hafi mek dem know she that we nuh dig da part deh

systematically dem well have it design dem mashin up the medi with dem colonial mind we nuh go sit around and watch blind man lead blind you nuh see seh dat a serious crime
