

# George Benson, You Are The Love Of My Life

You Are The Love Of My Life  
I knew it right from the start  
The moment I looked at you  
You found a place in my heart

You Are The Love Of My Life  
You give me reason to live  
You taught me how to be strong  
With you is where I belong

No one's ever touched me  
Quite the way you touched me  
People search a life time  
To find what we have

You Are The Love Of My Life  
One thing that's good in this life  
I'll spend the rest of my days  
Just loving you

You Are The Love Of My Life  
The heart and soul of my life  
Once I was lost and alone  
With you at last I am home

You Are The Love Of My Life  
You give me reason to live  
You give me so much of you  
And leave me room to be free

No one's ever touched me  
Quite the way you touched me  
People search a life time  
To find what we have

You Are The Love Of My Life  
One thing that's good in this life  
And in a world full of change  
One thing I'm sure of

You Are The Love Of My Life  
The one thing that makes sense in this world  
I'll spend the rest of my days  
Just loving you...

You Are The Love Of My Life  
And I thank GOD I'm alive  
To spend my lifetime with you  
You Are The Love Of My Life
