

George, Dance With Me

I saw this girl and she was tight
Hey, go and talk to her
I said, Ha, alright
So grabbed a hold of her
Got up in those eyes
I didn't know what to do
Or what to say
Caught up in those eyes

Girl i can't take what you're doing
You're who i'm choosing

Oh, shake it, like you got something girl
Oh, like you rock my world (shake it)
Rock out your body
Rockin your body
Dance with me.
Shake it (girl i want that somethin somethin)
Oh (i want that somethin somethin)
Shake it (give me that somethin somethin)

Now here we are, don't turn around
I'm not getting what i see, whats going down
I wanna take you home where we can be alone
What you say girl, you comin home with me?
So we can be alone

Girl i can't take what you're doing
You're who i'm choosing
Oh, shake it, like you got something girl
Oh, like you rock my world (shake it)
Rock out your body
Rockin your body
Dance with me.
Oh, shake it, like you got something girl
