

# George, I Wanna Love You

Can i play  
I said can I play  
Hey pretty with them sunshades on

What u say tonight  
The sun is settin' and its almost dawn  
You know i am bout to say right

You wanna hang with your crew  
Wanna dance me and you real close  
To my tempting  
You wanna hang with your crew  
Girl I'll show you what to do ya  
What do u say  
I wanna love you  
Think you can keep up with me  
I wanna love you  
Girl hold on tight  
I wanna love you  
Cant wait to tell your friends it was G  
I wanna love you all through the night

Do other guys sing this song like me  
I can put up a fight  
Girl what you heard is true, and soon you'll see  
Were gonna be up all night

You wanna hang with your crew  
Wanna dance me and you real close  
To my tempting  
You wanna hang with your crew  
Girl show I'll you what to do ya  
What do u say  
I wanna love you  
Think you can keep up with me  
I wanna love you  
Girl hold on tight  
I wanna love you  
Cant wait to tell your friends it was G  
I wanna love you all through the night

So I guess this my introduction  
I wanna love u girl  
Ohohooooh  
So can you keep up with me?

So can I play?

I wanna love you  
Think you can keep up with me  
I wanna love you  
Hold on, hold on, hold on baby  
I wanna love you  
Cant wait to tell your friends it was G  
I wanna love you all through the night  
All through the night  
I wanna love you  
Think you can keep up with me  
I wanna love you  
Hold on, hold on, hold on baby  
I wanna love you  
Cant wait to tell your friends it was G  
I wanna love you all through the night  
All through the night
