GET SOME LOVING DONE

(Jimmy Peppers)

I gotta get up and get some loving done
My life's so poor ain't been much fun
Well I got myself a woman and I know that you're the one
And I'll get up and get me some loving done
I've been sittin' in the corner of the world much too long
And you came by and gave me a happy song
Now my lonesome days are through and I'll give my heart to you
And I'll get up and get me some loving done
I gotta get up and get some loving done...
You're my pot of gold at the end of the rainbow
And you're the prettiest woman I could ever know
When I look at you and see the whole world belongs to me
So I'll get up and get me some loving done
I gotta get up and get some loving done...
And I'll get up and get me some loving done
