

# George Michael, As

As Around The Sun The Earth Know She's Revolving  
And the rosebuds know to bloom in early may  
Just as hate knows love's the cure  
You can rest your mind assured that  
I'll be loving you always

As now can't reveal the mystery of tomorrow  
Hut in passing will grow older everyday  
Just as ail that's born is new  
You know what i say is true  
That i'll be loving you always

Until the rainbow burns the stars out of the sky  
Until the ocean covers every mountain high  
Until the day that 888 is 4  
Until the day that is the day that are no more

Did you know that true love asks for nothing  
Her acceptance is the way we pay  
Did you know that life has given love a guarantee  
To last through forever and another day

As today i know i'm living but tomorrow  
Could make me the past  
But that i mustn't fear  
I know deep in my mind  
The love of me i've left behind  
Cause i'll be loving you always.

Until the rainbow burns the stars out in the sky  
Until the ocean covers every mountain high  
Until the dolphin flies and parrots live at sea  
Until we dream of life and life becomes a dream  
Until the day is night and night becomes the day  
Until the trees and seas just up and fly away  
Until the day that 888 is 4  
Until the day that is the day that are no more

Did you know that true love asks for nothing?  
Her acceptance is the way we pay  
Did you know that life has given love a guarantee  
To last through forever and another day

As around the sun the earth knows she's revolving  
And the rosebuds know to bloom in early may  
For now i know deep in my mind  
The love of me i've left behind  
Cause i'll he loving you always.

Until the rainbow burns the stars out in the sky  
Until the ocean covers every mountain high  
Until the dolphin flies and parrots live at sea  
Until we dream of life and life becomes a dream

Until the day is night and night becomes the day  
Until the trees and seas just up and fly away  
Until the day that 8x8x8 is 4  
Until the day that is the day that are no more
