

# George Michael, Heal The Pain

Let me tell you a secret  
Put it in your heart and keep it  
Something that I want you to know  
Do something for me  
Listen to my simple story  
And maybe we'll have something to show  
You tell me you're old on the inside  
How can the outside world  
Be a place that your heart can embrace  
Be good to yourself  
Because nobody else  
Has the power to make you happy  
How can I help you  
Please let me try to  
I can heal the pain  
That you're reeling inside  
Whenever you want me  
You know that I will be  
Waiting for the day  
That you say you'll be mine  
He must have really hurt you  
To make you say the things that you do  
He must have really hurt you  
To make those pretty eyes look so blue  
He must have known  
That he could  
That you'd never leave him  
Now you can't see my love is good  
And that I'm not him  
How can I help you  
Please let me try to  
I can heal the pain  
Won't you let me inside  
Whenever you want me  
You know that I will be  
Waiting for the day  
That you say you'll be mine  
Who needs a lover  
That can't be a friend  
Something tells me I'm the one you've been looking for  
If you ever should see him again  
Won't you tell him you've found someone who gives you more  
Someone who will protect you  
Love and respect you  
All those things  
That he never could bring to you  
Like I do  
Or rather I would  
Won't you show me your heart  
Like you should  
Won't you let me in  
Let this love begin  
Won't you show me your heart now  
I'll be good to you  
I can make this true  
And get to your heart somehow
