## George Michael, I Can Love You Like That

Turn down the lights, turn down the bed Turn down these voices inside my head Lay down with me, tell me no lies Just hold me close, don't patronize Don't patronize me

'Cause I can't make you love me If you don't
You can't make your heart feel something it won't
Here in the dark in these final hours
I will lay down my heart, and I'll feel the power
But you won't, no you won't
And I can't make you love me
If you don't

I'll close my eyes and then I won't see The love you do not feel, when you're holding me Morning will come, and I'll do what's right

Just give me till then, to give up this fight And I will give up this fight

And I can't make you love me if you don't
You can't make your heart feel something it won't
And here in the dark in these final hours
I will lay down my heart and I'll feel the power
But you won't, no, you won't
And I can't make you love me
If you don't

Ain't no use in you trying It's no good for me baby without love All my tears, all these years, everything I believed in Baby Oh yeah Someone's gonna love me
