

# George Michael, It Doesn't Really Matter

(George Michael)

It doesn't really matter that i loved you  
How many reasons call  
It doesn't really matter at all

It doesn't matter that i failed to  
Break down your father's wall  
It really doesn't matter at all

Why tell me you don't understand when you do  
I thought i had something to say

But it really doesn't matter at all.....

I changed my name  
To be rid of the things that i want from you  
It's strange  
But a name is a name and the truth is the truth

Oh, there is always  
Always someone there to remind me

So i learn to live with shame  
Tell myself i feel no pain  
But i do  
And if i have to tell you

Then it really doesn't matter at all.....

And it's no good looking back  
Because time's a thief and i believe that  
I'm too old for that  
We're just saying the things that we have said  
Forever

It doesn't really matter that i loved you  
How many seasons fall  
It's too bad  
It really doesn't matter at all
