George Michael, Look At Your Hands

I Loved You Once But look at you now You'r in somebody else's bed I loved you once So i don't know how You're with a man like that You'd be better off dead He don't care He don't treat you right It's not fair I still want you at night Can't you see you made a mistake girl He treats you like dirt and i hate it

Na na na na na lady look at your hands You got two fat children and a drunken man Betcha don't, betcha don't, betcha don't like your life Betcha don't, betcha don't, betcha don't like it Ma ma ma ma baby look at your hands You should have been my woman when you had the chance Betcha don't, betcha don't, betcha don't like your life Betcha don't, betcha don't, betcha don't like your life now

He hits you once He hits you twice He don't care about the blood on his hands But that's ok 'Cause it's his wife "it's the only thing she understands" he says

Say you're gonna leave him Say you're gonna try But you're only talking Oh i know you think i'm a young boy But i'm good and i think we can make it Na na na na na na lady look at your hands You'v got two fat children and a drunken man Betcha don't, betcha don't, betcha don't like your life Betcha don't, betcha don't, betcha don't like it Ma ma ma ma baby look at your hands You should have been my woman when you had the chance Betcha don't, betcha don't, betcha don't like your life Betcha don't, betcha don't, betcha don't like your life Betcha don't, betcha don't, betcha don't like your life

Well excuse me baby but it's making me mad The only one you want is the only one you'll never have It's so sad The only one you'll never have Ifs too bad Only one you'll never have

Na na na na na na lady look at your hands You've got two fat children and a drunken man And i bet you don't like your life now...
