

George, Such A Fool

4 o'clock in the morning, I'm chilling with some friends
Before the club we're hanging out until this girl walked in
Come on by surprise her when she didn't say hello
Had an attitude, why be so rude I know just what to do
Wanna go outside I pull out and came running
Told the girl don't act this way
I see right through your act
What he did was such a shame
Don't be living with this man

So let it go tonight
I see the beauty within your eyes
So let it go tonight

[Chorus:]
I never thought that it would be me
How could I be such a fool, oh?
And here I am saying girl I'm sorry
For something I didn't do, this is my point of view
Baby I never meant to fall for her
Lately it's been driving me crazy
Baby, baby, you still and always will be my baby
Oh yeah..

It's 4 o'clock in the morning and it didn't take too long
For the girl to change her tune and now she's singing a different song
She's all up on me, kissing on me, grinding on me
What's a guy to when his brain is all muted
Baby I'm not that guy
I already got that someone in my life
Baby I'm not that guy

[Chorus]

I let her in only before a minute girl
She was up in my mind
But it was you I found a start
You'll always have my heart
Say my heart

[Chorus x2]
