

# George Thorogood, Down In The Bottom

Well, now, meet me in the bottom  
Bring me my runnin' shoes  
Well, now, meet me in the bottom  
Bring me my runnin' shoes  
When I come out the window  
I won't have time to lose

When you see me sneakin' by  
Please don't be late  
When you see me sneakin' by  
Please don't be late  
Well when you (????)  
You'll know my life's at stake

Well I hope you see me when  
I come streakin' by  
Well I hope you'll see me when  
I come streakin' by  
She got a bad ol' man  
You know I'm too young too die

Now meet me in the bottom  
Bring me my runnin' shoes  
Well, now, meet me in the bottom  
Bring me my runnin' shoes  
When I come out the window  
I won't have time to lose  
I got to leave here

Round about midnight
