

George Thorogood, Ride 'Til I Die

Daddy was a jockey showed me how to ride
Daddy was a jockey showed me how to ride
Shoot it once through the middle, baby, jump from side to side
Shoot it once through the middle, baby, jump from side to side
She's a fine little pony sure love to have her fun

Ride little pony sure love to have her fun
Started to bumpin' and fussin' watch this little filly run
I ride slow and easy that's the way to make it last
I ride slow and easy that's the way to make it last
When the ridin' gets rough I throw that thing in fast
I said ride 'til I die
Ride 'Til I Die
Ride 'Til I Die

Hop in the saddle ride honey all night long
Hop in the saddle ride honey all night long
I know just how to ride I sure ain't gonna ride you wrong
Ride 'Til I Die

Fine little pony ride til the break of day
Fine little pony ride til the break of day
Started to bumpin' and fussin' do anything this poor boy say
ummmm
Hop in the saddle ride honey all night long
I know just how to ride I sure ain't gonna ride you wrong
Just how to ride I ain't gonna ride you wrong
