

Geri Halliwell, Angels In Chains

Watch the first line
Kiss the new World
It's a wonder, baby
Like you and I
All the colors of the rainbow
Going somewhere baby
Like you and I

It's going to be alright
But when my sky clouds over

Lift me up
When the day is over
Tame me up
When the Sun is going down
Show me love
I will be your angel now
Lift me up when the lights are fading
Talk me down
When I;m flying way up high
Show me love
And I'll be your angel for life

Like the seasons ever changing
Everlasting baby, like you and I
It's going to be alright
But when my sky clouds over

Lift me up
When the day is over
Tame me up
When the Sun is going down
Show me love
I will be your angel now
Lift me up when the lights are fading
Talk me down
When I;m flying way up high
Show me love
And I'll be your angel for life
