

# Get Far, All I Need

By the lookin' your eyes  
I'm reading your mind  
I know that you're seeking  
for a love divine..  
Someone you've never had  
the chance to know..  
Someone who cares  
and keeps your real thoughts..  
I'm losing my mind  
girl you got me going crazy,  
passion's burning deep in my veins,  
and you make me feel live..  
Honey, you're taking me high..  
All I need is your love  
All I need is your!

When I look in your eyes  
I cannot disguise..  
I wish you could feel  
your mind surrendered tonight..  
So why don't you stay?  
Don't take it away..  
I'll give you my love, body, soul  
night and day..  
Girl you're turnin' me on..  
and on.. and on..  
When you dance  
I can't resist you baby..  
You, sexy lady,  
rub me up  
and let me be the one..  
All i need is your love..  
So let me into your life  
I will take you high  
to the seventh sky..  
If you show me the stairway to your heart  
I'll be the one who makes you shine  
for ever and ever, and ever  
set me free and let me be the one  
All I need is your love

All I need is your love  
into the seventh sky  
all I need is your love  
all I need is your love  
into the seventh sky  
all I need is your love
