

Ghost, Dance Macabre

you'll soon be hearing the chime
close to midnight
if I could turn back the time
I'd make it all right

how could it end like this?
there's a sting in the way you kissed me
something within your eyes
said it could be the last time
'fore it's over!

just wanna be
wanna be witch you in the moonlight
just wanna be
wanna be witch you all night

it keeps on giving me chills
but I know now
I feel the closer we get
to the last bow

I don't wanna end like this?
but the sting in the way you kissed me
something within your eyes
said it could be the last time
'fore it's over!

just wanna be
wanna be witch you in the moonlight
just wanna be
wanna be witch you all night
