

# Gilbert And Sullivan, Three Little Maids From School

Three Little Maids From School Are We  
Pert as a school school girl can be  
filled to the brim with girlish glee  
three little maids from school

Everything is a source of fun  
Nobody's safe for we care for none  
Life is a joke that's just begun  
Three little maids from school

Three Little maids who all unwary  
come from a lady's semnary  
free from his genius tutalary  
Three little maids from school  
Three little maids from school!

One little maid is the bride yum yum  
two little maids in attendance come  
three little maids is the total sum  
three little maids from school

from three little maids take one away  
two little maids remain and they  
don't have to wait very long they say  
Three little maids from school  
(chorous) Three little maids from school

(Chorus) Three Little maids who all unwary  
come from a lady's semnary  
free from his genius tutalary  
Three little maids from school  
Three little maids from school!
