

# Gin Blossoms, Not Only Numb

Looking all around the room I see the clutter in the gloom  
I'm not only back, I'm not only numb  
Changing shades within the evening  
In a day then I'll be leaving  
I'm not only back, I'm not only numb  
When the air at home is thin  
Getting out then looking in  
Yeah she knows, she knows, she knows  
It ain't awful hard to tell  
What it's like, my little hell  
Yeah she knows, she knows, she knows  
I'm now familiar with the tone I hear in bed when I'm alone  
I'm not only back, I'm not only numb  
In the shade below the eaves  
Think I could chain smoke anything  
I'm not only back, I'm not only numb  
When the air at home is thin  
Getting out, then looking in  
Yeah she knows, she knows, she knows  
It ain't awful hard to tell  
What it's like, my little hell  
Yeah she knows, she knows, she knows  
She knows, she knows, she knows  
She sees all the cars around the parking lots of bars we've played and stayed  
Started laughing, looking down upon the bed that we've made  
We've made, we've made, we've made  
She sees all the cars around the parking lots of bars we've played and stayed  
Started laughing, looking falling down across the bed that we've made  
We've made, we've made, we've made  
The air at home is thin  
When getting out, then looking in  
I'm not only back, I'm not only numb  
Changing shades within the evening  
In a day, then I'll be leaving  
I'm not only back, I'm not only numb...
