

# Ginuwine, I'm In Love

[Verse 1]

As the day goes by I'm always thinkin' of your face  
Your hair your eyes your sweet lips and the way they taste  
You got me goin' on high that I have never felt  
A beautiful thing (not like the same thing)  
This thing we've got it so amazing what I love the most  
Is how we can talk and how we laugh and the fact we're so close  
It's no illusion but it's magic no tricks involved  
With you I got it all

[Chorus]

I'm in love I'm in love  
Do you hear me  
Was so scared not prepared  
But it just hit me  
Glad it's us now I'm good  
I'm so in love  
I'm in love I'm in love  
And it's a good thing  
Many miss out on things  
Real lover's bring  
Glad it's us now I'm good  
I'm so in love

[Verse 2]

In my mind I'm in a world alone just you and I  
Your my eve and I'm your Adam so let's start new lives  
Cuz the way you make me feel it's like a new beginning girl  
In all different ways (so many different ways)  
You have been for with me for my past and the mistakes I've made  
You was still strong and had my back now the foundations laid  
And I wanna spend the rest of my life just fulfilling you  
With everything you want everything you need

[Chorus]

[Bridge]

It's one of those things and  
It's real hard to explain but  
It's real and fills your heart  
And hearts just don't lie no  
You will know real love  
Cuz nothing feels like it and  
It touches things inside  
It's a real experience

Ooh ooh ohh ohh  
Ooh ohh

[Chorus fade out]
