

Ginuwine, Simply Irresistable

oooooooooh
oh yeah baby
oooooooooh yeeaaaah
oh oh oh oh
Hotter than New Orleans
In summer time your so fine
You walk by
Now i wish i could press rewind
yeeeeeahhhhh
U sounding like a disco ball
I can't say no
We prob'ly could break some laws
and not be wrong
Simply irresistible
that is u
that is me
can't wait to get physical
i want u
u want me
Now it's getting critical
i need u
u need me
i'm so tired of typical
that ain't u
that ain't me
Picture us in Florida
in a big beach house
full moon out
yeaaaaaah
we prob'ly would melt the couch
when we sat down
and prob'ly take u to the floor
back and forth
we light up the room
like we had a torch
Trust me when i tell u
we take the cake us as one
Next we'll break to see your face
See my face
I'm for real
My good taste and your good shape
They relate
No questions
Hold my hand
I'll hold your waist
We'll be straight
Basically we're
Simply irresistible
that is u
that is me
can't wait to get physical
i want u
u want me
Now it's getting critical
i need u
u need me
i'm so tired of typical
