

# Girls Aloud, Big Brother

Uh-oh, Uh-oh, Uh-oh, Uh-oh  
Uh-oh, Uh-oh, Uh-oh, Uh-oh

I think about you baby every night  
Oh, it feels so good  
It's got to be alright  
And darling I don't even know your name  
Oh, it's good, it's good I like it that way

Close up, rewind, you're in my mind  
One touch, too far  
Eyes meet so sweet in the dark

Big brother's watching me  
And I don't really mind  
I like him, watching me  
Watch him watch life  
There's nothing he can see  
And not much he won't find  
He likes me  
Watching him watch me all night

I like the way you're messing with my head  
Oh, it feels so good I'm shaking in my bed  
And baby don't you think I know your game  
Oh, it's good, it's good  
I know you feel the same

Close up, rewind, you're in my mind  
One touch, too far  
Eyes meet so sweet in the dark

Big brother's watching me  
And I don't really mind  
I like him, watching me  
Watch him watch life  
There's nothing he can see  
And not much he won't find  
He likes me  
Watching him watch me all night

If I'm confused and dazed  
And it's a crazy day  
I wanna know you care  
And when I'm home at night and Mr Lonely bites  
I wanna know you're there

Big brother's watching me  
And I don't really mind  
I like him, watching me  
Watch him watch life  
There's nothing he can see  
And not much he won't find  
He likes me  
Watching him watch me all night
