

Giveon, Heartbreak Anniversary

Balloons are deflated
Guess they look lifeless like me
We miss you on your side of the bed

Still got your things here
And they stare at me like souvenirs
Don't wanna let you out my head

Just like the day that i met you
The day i thought forever
Said that you love me
But that'll last for ever
It's cold outside like when you walked out my life
Why you walk out my life?

I get like this every time
On these days that feel like you and me
Heartbreak anniversary
Cause i remember every time
On these days
That i feel like you and me
Heartbreak anniversary
Do you ever thinking of me?
