

Gjallarhorn, Lille Dansa

Lille dansa me mej
he kan du fill f
bara du int'dansar kull mej

lite felas med mej
kun fill m f g
bar' du felas vackert med mej

frst p klacken svinkom vi, och sen p t
lite krama mej he vurr fill mlli
se s du tar till, ja till s he frslr
aj ! s hll dej annars skrir jag

</lyrics>

==English translation==
</lyrics>

Dance a little with me
that will be all right
If you dance so that I do not fall down

play a little with me
that will be all right
If you play nicely

First we swing on the heel, then on the toe
Hug me a little, that would be possible,
What you are doing, that is to much
Oh! Behave yourself, or I will scream!
