Glass Animals, Black Mambo

What'll it be now mister mole Whisper sloth in curls of smoke Take a back seat Or play pharaoh Dance with me And shake your bones

Slow down It's a science He's been waiting To bring you down

Snake eyed With a sly smile He can hold you And shake you child

Leopards laze each On plush pillows Slender capes Of red and chrome

Paperback dreams In their deep doze Twitch their toes to Black mambo

Slow down It's a science He's been waiting To bring you down

Snake eyed With a sly smile He can hold you And shake you child

Wanna play cheat Now says the sloth A domino Flush to his nose

Tickle that cheek And take your throne Pump your veins With gushing gold

Slow down
It's a science
He's been waiting
To bring you down
Snake eyed
With a sly smile
He can hold you
And shake you child

We can hold you /4x
