

# Glen Hansard, Love Don't Leave Me Waiting

Lover, you've been hesitating  
You've been hanging on for that far too long  
And lover you've been leaving me waiting  
And I don't know why it is I've done

And lover, don't leave me guessing  
Oh lover, don't leave me here  
Show yourself to me

And time you've been a-wastin'  
You've been running out on me  
And town you've been a-talkin'  
You say what you really mean

And lover, don't leave waiting  
Oh lover, don't leave me here

And lover, don't leave me guessing  
Oh lover, don't keep me here  
Show yourself  
Show yourself to me

And lover, don't leave me waiting  
Oh lover, don't keep me here

And lover, don't leave me guessing  
Oh lover, don't leave me here  
Show yourself to me
