

# Glen Hansard & Marketa Irglova, Leave

I can't wait forever is all that you said  
Before you stood up  
And you won't disappoint me  
I can do that myself  
But I'm glad that you've come  
Now if you don't mind

Leave, leave,  
And free yourself at the same time  
Leave, leave,  
I don't understand, you've already gone

And I hope you feel better  
Now that it's out  
What took you so long  
And the truth has a habit  
Of falling out of your mouth  
But now that it's come  
If you don't mind

Leave, leave,  
And please yourself at the same time  
Leave, leave,  
Let go of my hand  
You said what you have to now  
Leave, leave,  
Let go of my hand  
You said what you came to now  
Leave, leave,  
Leave, leave,  
Let go of my hand  
You said what you have to now  
Leave, leave...
