

# Glenn Hughes, Freedom

You got my pride hangin' out of my bed  
You're messin' with my life so I brought my lead  
Even messin' with my children  
And you're screamin' at my life

Get off my back, if you want to get out of here alive

Freedom-that's what I want now  
Freedom-that what I need now  
Freedom-to live  
Freedom-so I can give

You got my heart, split the last drink of water  
You got my soul, screamin' and hollerin'  
You know you hooked my girlfriend  
You know the drugstore man  
Well I don't need it now  
Just trying to slap it out of her hand

Freedom-so I can live  
Freedom-so I can give  
Freedom-yeah yeah  
Freedom-that's what I need

You don't have to say that you love me  
If you don't mean it, you better believe  
If you need me or you just wanna bleed me  
You better stick in you daggers someone else  
So I can leave-set me free  
Right on, straight ahead  
Straight up there, straight ahead

Freedom-so I can live  
Freedom-so I can give...

Keep on pushing, straight ahead  
Keep on pushing, straight ahead...
